Past Events

Our 1950's Rock and Roll Social was a great success and everyone had a great time. The dancers put a lot of effort into their costumes and they all looked lovely.

The July Workshop and socials with Wayne Beazley were also a great success with dancers coming from all over to join us for the weekend, we had a great time and learnt a few good dances from Wayne.

The dances Wayne taught in his Workshop were:

Kiss Goodbye

Me On You

Blue Jean Country Queen

Damn Sandwich

Honky Tonk Boots

Do you Wanna
