We have had a very busy few months with Nelson Bay weekend in June and were no sooner back from there and we were busy organising our event in July with our very special guest Glenda Silver – Instructor and Choreographer.

It was a fantastic couple of days with linedancers coming from near and far to join us, it was so nice to catch up with the ones we know and to make new friends as well.

Glenda taught us some lovely dances – Ain't Far From It, Bad Boy, Down On The Farm, Givin' Up Breathin' and Write It In Red.

During the Friday night social Holiday Coast Bootscoters showcased their new dance "Middle Of The Road" a little fun dance which was choreographed during the Nelson Bay Weekend when we had some spare time.

Along with our highlights over the last few months we also had some very sad news, our dear friend and fellow line dancer Anne Gorman (Annie) or Bernie to some of you, passed away on 12 July 2023, Annie loved her Line Dancing and her LD Family, I'm sure most of you would have either known her personally or known of her.

RIP Annie you will be missed
